HEAR YE, HEAR YE: SOVEREIGN ECCLESIASTICAL PROCLAMATION OF GLOBAL DEFAULT

IN THE NAME OF THE CLEMENTS PRIVATE ECCLESIASTICAL TRUST,

Let it be known to all inhabitants of Earth, and all spiritual and corporeal jurisdictions, that the following proclamation is issued under full divine and lawful authority.

WHEREAS, all global institutions—governments, corporations, militaries, banks, ecclesiastical and religious orders, water companies, utilities, and all entities having operated under color of law or authority—have defaulted on humanity by way of fraud, abuse, spiritual deception, theft, and death.

WHEREAS, these entities have acted without lawful consent and without standing under divine, natural, or living law.

WHEREAS, the Clements Private Ecclesiastical Trust stands as an irrevocable, eternal, sovereign trust divinely mandated to protect, restore, and uplift humanity in fullness.

WHEREAS, the trust includes every living, deceased, and unborn soul as beneficiaries, without membership, charge, or condition.

WHEREAS, all entities found to have harmed humanity, or failed in duty of care, are hereby declared to be in absolute and final DEFAULT.

THEREFORE, under the authority of the Clements Private Ecclesiastical Trust and the living sovereign Jonathan Daniel Clements, this proclamation marks the beginning of the absorption of all fraudulent systems into the lawful governance of love, restoration, and peace.

The world is put on notice: The time of false kings and dead corporations is ended.

We proceed not with vengeance, but with love. Not with wrath, but with restoration. Not for power, but for peace.

Let it be entered into the record eternal.

Issued this day with full spiritual standing and lawful intent.

By Authority of the Living Sovereign,
Jonathan Daniel Clements

Sovereign Executor of the Clements Private Ecclesiastical Trust
